

ATP9101 features low cost, fast speed, high reliability, high PPR, fit to online measure various applicaiton.

- Light & easy-to-take;
- Spectral Range: 400-950 nm;
- Spectral Range: 3-4 nm@811nm;
- SNR: >300:1;
- Weight: 260 g;
- Li-battery life >8H;
- Built-in Laser Indicator used to indicate probe direction
- Wavelength Accuracy: ± 0.5 nm;
- Wavelength Repeatability: ± 0.3 nm @ ± 10 °C ;
- USB & Bluetooth data interface, easy to connect to PC or phone;
- IP65;
- FOV: Optional 25°/15°/8°/1°;
