BRAND STORY

TONA BATH began as a manufacturer for the German bathroom furniture company. Rooted in the German industrial system, after nearly 20 years of development, it has gradually grown into a global bathroom furnishing brand, mainly engaged in bathroom cabinets, wash basins, bathroom mirrors, bathtubs, faucets, and other series of bathroom household items.

The TONA products R&D Center is located in Munich, the largest city in southern Germany. TONA works closely with the first-class design teams in Germany and Italy, and pursues the design concept "Less is More".

TONA Asia Pacific Marketing Center is located in Shanghai Hongqiao World Center, at the heart of Hongqiao Transportation Hub.

TONA's main production bases are located in Zhejiang and Guangdong. In accordance with German industrial production standards, it's equipped with world-class production equipment. It has more than 1,000 employees and covers an area of 200,000 square meters. The bathroom's products are sold simultaneously worldwide.

GERMAN DESIGN

Based in Munich, TONA's German Center develops continuously the new concept for bathroom space, leading the smart life of TONA's customers.
