

HE004-E

Product Features

- Stainless Steel SS304, corrosion resistance and have long time
- Fast heating
- Energy saving
- Single bar can be rotated

HE004-E

Seamless welding

Constant temperature

Uniform heating

Safety and waterproof

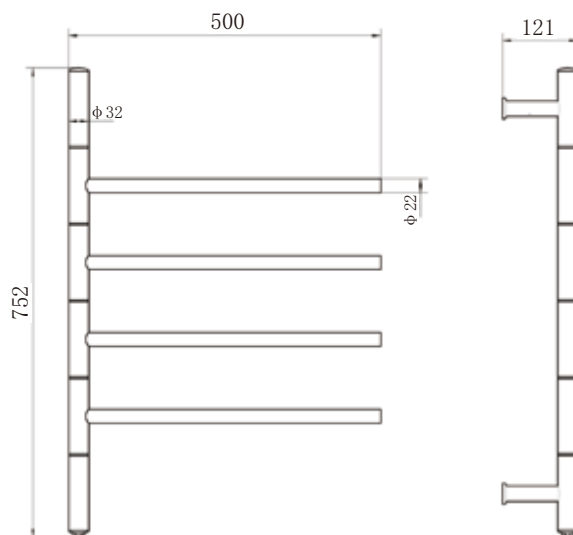

Disinfection sterilization

Safe not hot

Information

Brand Name	TONA
Product Name	Towel Radiator
Material	Low carbon steel
Color	Chrome/Matte Black
Size	750*500*105 mm
Rated Power	60W
N.KG	2.5kg

Colour

Matte Black

Chrome
